

Dennis W. Louie, B. Com., CA.

CURRICULUM VITAE

Dennis W. Louie is one of twelve principals of D&H Group LLP, Chartered Accountants, through which he operates his professional corporation, D.W. Louie Ltd.

He has been a self-employed Chartered Accountant providing assurance and tax consultant services since 1982. He has a particular interest in providing professional services to family owned business located locally, nationally and internationally. His professional background was founded on his income tax training. This has given him a sound and practical approach in his solution providing skills.

He has experience in advising clients in the fashion and clothing industry, sport products industry, food equipment industry, seafood and meat industry, the real estate industry including hotel and condominium and multi-residential development projects, private schools and education industry, wholesale brokering and manufacturing of lumber products industry, junior resource public companies, professional services practices including architectural engineering, medical, dental, optometric and legal entities and immigration advisory services.

Representative Experience:

- acted as advisor to providing solutions to an organizational structure and identifying and assisting in implementation of financing of the development of a hotel project in Whistler B.C. Also advised on the operational concerns and the subsequent successful sale of this project.
- provided professional tax and estate planning consulting services to a private family owned business for a staged transition of their business to their adult children who are working in the business. We also consulted in providing solutions to deal with their adult children who are not active in the business.
- provided a sounding board for discussion of corporate operating strategies which paved the way for a private school providing technical training in personal professional grooming skills, acting classes and English as a second language school.
- acted as an expert witness in accounting matters on behalf of a client in a defence suit in a litigation matter.
- acted as a tax advisor to a successful immigration to Canada for a high net worth individual and his family.
- acted as advisor to matrimonial matters relating to a division of business and real estate concerns.
- acted as advisor to the developer of a hotel project in Vancouver from land acquisition, financing and marketing of the strata-titled hotel suites.
- consulted on the process of an Initial Public offering, which is presently a successful public operating company on the Toronto Stock Exchange.

Community Activities:

- past member of the Board of Examiners at the Institute of Chartered Accountants of British Columbia.
- past member of the Exposure Draft of Accounting Matters Committee of the Institute of Chartered Accountants of British Columbia.
- past Public Practice Resident In Accounting, volunteer lecturer at Simon Fraser University.
- past director, treasurer, vice-president and president of a Vancouver based Lions service non-profit club.

Dennis W. Louie, B. Com., CA.
