COMMUNITY CHRISTMAS DINNER

At Hastings Tillicum Community Christmas Dinner, it is all about giving the spirit of Christmas to the communities children and families who would otherwise be unable to participate. They enjoy the sights and sounds of Christmas as the school is decorated with lights, snowflakes and holiday spirit. Santa's elves serve them a warm turkey feast with all of the trimmings and after their bellies are full, Santa arrives with goodies for the kids.

On behalf of Hastings Tillicum School & Community, we would like to thank everyone who contributed to this year's event.

We would be unable to do this without the generous support from people like you.

From the money raised for this event, we are able to give the gift of Christmas to over 600 people and to provide at-risk students with an additional year of after-school programming which includes positive attention and mentoring from teachers, healthy snacks and productive exercises.

Thanks to your generosity, we were able to accomplish this and greatly appreciate your contributions to help this important Vancouver community. We look forward to your continual involvement again next year.

Please find enclosed your donation tax receipt.
